Whitlow Jr., the State Command Chief Master Sergeant for the Colorado Air National Guard, Buckley Air Force Base, Aurora, Colorado.

Spring Forward- Time Changes March 12

You know that Spring is near when Daylight Saving Time (DST) begins. Don't forget to "Spring Forward" at 2 a.m. on Sunday, March 12. As a reminder, this is a great opportunity to check batteries in your home smoke alarms and carbon monoxide detectors. The National Fire Protection Association reports that 71% of smoke alarms which failed to operate had missing, disconnected or dead batteries. This reinforces how important it is to take this time each year to check smoke and carbon monoxide detectors.

Read Across America

The Dacono City Council proclaimed March 2, 2017 as, "Read Across America Day". National Education Association is building a nation of readers through its signature program, NEA's Read Across America. Now in its 20th year, this year-round program focuses on motivating children and teens to read through events, partnerships, and reading resources. "You're never too old, too wacky, too wild, to pick up a book and read with a child." This day is a motivational and awareness day, calling all children and youth in every community across the United States to celebrate reading.
