Carbon Valley Music and Spirits Festival

Saturday, August 6th , 2 p.m.-10 p.m.

The City of Dacono signature event, the Carbon Valley Music and Spirits Festival returns on Saturday, August 6th to Centennial Field– under the blue water tower. The festivities begin at 2 p.m. with a full day of music, food, spirits, and fun!

The music entertainment this year includes Cracker, the Railbenders, Kerry Pastine & the Crime Scene, Goatz!, William's Reserve, Grace Kuch, and more!

Kids will enjoy activities such as a magician and balloon artist, bungee trampoline, climbing wall, and bounce houses.

The spirits competition will feature samples and cocktails from some of the finest distilleries in Colorado. Participating distilleries include: Spring 44 Distilling, Vapor Distillery, Syntax Spirits Distillery, Bear Creek Distillery, Black Canyon Distillery, and Colorado Sun Shine. The spirits tasting is from 3-5p and 6-8p with judging from 5-6p. The price for the glass and 5 tickets is \$15.

Food vendors and a beer garden are available. The day ends with the best fireworks display in Carbon Valley. As always admission and parking are free.

National Night Out & Summer Movie Night– Zootopia

Tuesday, August 2– Dave Osborne Park

Get ready for National Night Out and a Summer Movie Night on Tuesday, August 2nd. The evening begins at 7 p.m. at Dacono City Hall. Let's talk safety, build a stronger community, and then enjoy a FREE movie in the park. National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, better places to live. The Dacono Police Department have a special evening designed to promote public safety and enhance community relations between our first responders and residents. Check out police cars, hands-on learning stations, and enjoy free refreshments.

Back by popular demand, a FREE outdoor movie at Dave Osborne Park featuring the movie Zootopia. The movie begins at dusk. Pack a snack and enjoy an evening under the stars. What a great way meet your neighbors and strengthen neighborhood spirit!

Habitat For Humanity Seeking Volunteers

Community Event Planned for The Glens— July 16th

Habitat for Humanity is planning a critical repair (re-roofing and painting a home) as part of the Neighborhood Revitalization Initiative in the Glens of Dacono. Habitat for Humanity is currently seeking volunteers to assist on July 15 & 16 with this event. Following the critical repair event on July 16th, Habitat for Humanity will host a neighborhood block party on Macoy Court from 5:00 p.m.-9:00 p.m. The block party is free and residents throughout The Glens are invited. Enjoy backyard games, live music by Chris Kresge from 5-7, and free food. Learn more about the Neighborhood Revitalization Initiative and other Habitat for Humanity volunteer opportunities at stvrainhabitat.org/dacono-volunteer-opportunities

Free Summer Lunch

Daily Lunch Served to Kids

The Kids Café is back! Stop by the New Horizon Christian Church between 11:30 a.m. and 1:00

p.m. and enjoy a free lunch all summer long. Lunch is served to kids 18 and under Monday -Friday until August 12.

Summer Mosquito Control Underway

MosquitoLine Open for Calls

The city contracts with Colorado Mosquito Control, Inc. (CMC) for seasonal mosquito control. The services include: survey/mapping services of larval breeding sites, mosquito breeding site inspection and larviciding services (spraying), and adult mosquito trapping. Monthly reports are posted on the City's website.

Mosquito control in Dacono is targeted primarily toward control of larval mosquitoes while they are still in the water. Ultra Low Volume Fogging against adult mosquitoes is done only on a limited targeted basis, based on surveillance of populations via a network of traps. These traps tell CMC of high populations levels (over 100 females per night) in certain areas and allow CMC to target applications to these problem "hot-spot" areas.

At CMC, Ultra Low Volume Fogging for adult mosquitoes is normally done with AquaLuer a unique water-based pyrethroid insecticide, permethrin. Permethrin is in a group of insecticides which are man-made versions of a natural insecticide derived from a type of chrysanthemum. AquaLuer is one of the "least-toxic" products registered with the US EPA for adult mosquito fogging.

MosquitoLine (877) 276-4306

As part of the season mosquito control services, residents contact Colorado Mosquito Control, Inc. with any of the following issues:

- ◆ Reports concerning mosquito annoyance areas, to be placed on a no

spray or opt-out process for no spraying in front on your home

- ◆ Request notification when spraying will be done
- ◆ Request information on how to control and/or prevent mosquitoes on private property
- ◆ Request health and safety information about mosquito control operations and pesticide products used
- ◆ Request for information on what surveillance or treatment programs are taking place in the city.

Preventing Mosquitoes

CMC recommends several steps to reduce the number of mosquitoes at your home:

- Remember, standing water means mosquitoes. Any standing, stagnant water that remains for 7 to 10 days after a rain can, and usually will, produce mosquitoes.
- Empty all water holding containers in your yard on a regular basis- at least once a week. Children's wading pools, buckets, bird baths and stored boats are prime examples of mosquito breeding sites.
- Keep your lawn mowed as short as is practical & all ornamental shrubs and bushes trimmed and pruned to open them up to light and air flow.
- Plan outdoor activities and parties during daylight hours or later in the evening. Many mosquitoes are most active at dusk and for about an hour after dusk.
