

Anadarko Petroleum Corporation  
P.O. Box 173779  
Denver, CO 80217

Hello,

We are writing to provide you with an update on our planned operations in Dacono (please see the map on the reverse side for the locations of the pads). We plan to begin construction activities on the Tula well pad in mid-March. You will receive additional communications from us as plans to conduct horizontal drilling, hydraulic fracturing, facility construction, and reclamation progress.

With safety being our top priority, we worked with the City of Dacono to amend our haul routes (please see the map for the revised route).

If at any time you would like more information or wish to report an issue related to our operations, please feel free to contact us through the Anadarko Colorado Response Line (1-866-248-9577 or [AnadarkoColorado@Anadarko.com](mailto:AnadarkoColorado@Anadarko.com)). We welcome your feedback at any time as we perform work near your community.

Sincerely,  
Stakeholder Relations Team
