

Dear Residents,

We are notifying you that Kerr McGee Oil & Gas Onshore LP, a subsidiary of Occidental, will be performing activity on an existing oil and natural gas well in your area. Please see the map on the reverse side for reference.

The work is scheduled to begin in the next few weeks and will take approximately one week. A work-over rig (pictured on the reverse side), tanks, and other heavy equipment will be needed to conduct this operation. For safety reasons, operations are planned to be 24/7, but we will minimize non-essential activity during night-time hours to the best of our ability.

Thank you for your patience while we perform work in your community. If you have any questions or wish to report an issue related to our operation, please do not hesitate to contact us via the Occidental Colorado Response Line at 866.248.9577 or ColoradoStakeholder@oxy.com.

When you contact us, please reference this activity by the following name:
BUDDY 7-10HZ Maintenance

Sincerely,
Stakeholder Relations Team
